

BEST PRACTICES FOR COMMUNITY ENGAGEMENT TRAINING

TUESDAY MAY 14
12-3PM CNR 8030 (KLAMON ROOM)

**REGISTRATION
REQUIRED:**

IN-PERSON ONLY

Coordinated by Mike Frick (Treatment Action Group) and Laia Ruiz Mingote.

Co-taught by the **TB Community Research Advisors Group**:
Aakriti Pandita, Barbara Seaworth, Chayelle Jagger, Dr.
Cynthia C Chirwa, Dorothy Namutamba, Godfrey Mbulelo
Tabata, Goodman Makanda, Gwynneth Hendricks, Maria del
Rosario Leon, Tina Shah and Tom Muyunga-Mukasa.

- Understand the story of community engagement and its principles.
- Learn about strategies and activities to establish a fluent conversation with the communities you work with.
- Learn how to translate community feedback into clear and concise guiding principles for developing research activities and protocols, **so your study design aligns with community needs and preferences.**
